      -

# 1) Sportdata Online + Sportdata Software

- The fees are based on the number of entries and the entry fee:

Number of entries	Fee per entry
1 - 250	1 EUR
251 - 500	0,8 EUR
501 - 750	0,7 EUR
751 - 1000	0,6 EUR
1001 - 2000	0,5 EUR
2001 - 3000	0,4 EUR
> 3000	0,3 EUR

- The minimum fee is EUR 149,- per event
- Special rates for countries with entry fees below 10 EUR
- In case the organizer does not charge entry fee only the minimum fee is charged
- If the entry fee is charged per Athlete, the price model will be adapted

## 2) Sportdata Software License (without online system)

# Additional Services

- All software and services are designed to be used by the event organizer. In case help is needed, Sportdata provides additional remote support for training and help.
- If the organizers request special services from Sportdata before the event, like
  - Changes / manual Import of entries
  - Generation of Draws
  - Generation of Timetables
  - Generation of Accreditations
  - Custom layouts and reports
  - ...
- a service fee of 19 EUR / hour is charged

# Additional Services 2: on-site support

- On-site support: the organizer can request on-site support of a sportdata expert. This includes:
  - Support in all event activities, related to the Sportdata software usage
    - Management of draws
    - Timetable
    - Results
    - Training of scoring operators
    - Training of local staff
    - Support of technical setup
    - Supervision of event progress
    - ...
  - Fees:
    - Travel expenses
    - Accommodation and meals
    - 140 EUR / Day → travel days are charged with 70 EUR if less than 8 hours → 140 EUR if more than 8 hours

# Additional Services 3: hardware support

- Sportdata can provide, based on the availability, technical equipment like
  - Laptops
  - Network equipment (Routers, Switches)
  - Controllers
  - Cameras
  - ...
- Costs:
  - Transport fees (shipment + custom fees)
  - Rental fees (including Insurance fees (~5 % of the hardware value)):
    - Laptops: 20 EUR / day → max 60 EUR / event
    - Cameras: 20 EUR / day → max 60 EUR / event
    - Equipment for a local network (router, switches, cables): 30 EUR / day → max 150 EUR / event
